

Nursery Sales Associate

Statement of Duties

Candidate will assist retail and wholesale customers purchases by providing design ideas, general landscape advice, and excellent customer service. Building productive relationships with customers by directing them to products and solutions is our benchmark. Candidate will develop new ways to improve sales through merchandising, nursery layout and yard maintenance, and most importantly provide a neat, clean and safe working environment.

Skills and Abilities

Ideal Candidate will have 5 years plus experience in the green industry, as well as the ability to operate equipment including wheel loaders and/or skid steer loaders. Pay commensurate with experience, relevant licenses, and certifications. Hoisting license and Forklift certification preferred and/or the ability to obtain credentials within 3 months.

Education and Experience: Candidate should have a high school diploma or equivalent. Requires knowledge of arithmetic, English language and grammar. Equivalent to high school education received through a diploma or equivalency examination.
